### **SCHEDULE**

8:45am - Arrival

9:00 - Safety briefing, car and track orientation

9:15 - Tracktime begins

11:30 - 12:30 Lunch

3:30 - Tracktime ends

### **PROGRAM**

This will be a NON-RACE lapping session where participants can experience a variety of cars and improve driving skills.

Driving instructors will be available to give immediate feedback and advice for skill building, entertainment and safety.

The track is Firebird West, which is a 1.1 mile road course, incorporating 11 tight turns and a 3/8 mile straight-away. It is a very technical track with many tight corners. Balancing the vehicle well with trail braking, proper downshifting and smooth throttle inputs are the keys to a quick lap time.

### **DIRECTIONS**

Firebird International Raceway is located off the I-10 on Wild Horse Pass Road. Enter at Gate # 3 and take the first right after the main Firebird ticket gate.
