

Color is 1989 Geo Prism
26 U - 1 used Deltron Base + Clear

Match the Curve
of your fender

18" (approximately)

Canard is made
with a $\frac{3}{4}$ " downward
facing lip matching the
fender curve. This is
for stiffening and
attaching to the
fender (use $\frac{1}{4}$ "
thick closed cell
sticky backed
foam at attachment

$8\frac{1}{2}$ "
