

GT40: Rear Bulkhead Window

Drawn by: A Green

Tel: 01953 789433

***Do Not Scale
If in Doubt – Ask!***

Notes

- Dimensions are for cut-out in bulkhead
- R30 all corners
- Position cut-out centrally ~60mm down from top surface of spider
- Use S-section seal (2 metres of Part No SWR149 from Seals Direct www.sealsdirect.co.uk)
- Cut glass/polycarbonate 1/4" larger in all dimensions to allow for seal
