Comments

Manufacturer

ZF	Sold to RBT
RBT ZF	Requested information on 27 May 2007
Quaife - Chris Melia	Info supplied by Chris Melia
Gearfox	Info supplied from Gearfox in a comparative form to his boxes and RBT/ZF
Gearfox	
Gearfox	
Gearfox	TSR From information supplied
Getrag	G50 - used in 3.2 and 3.6 litre Porsches. Torque limited
Getrag	G50/50 - very few made - 150 3.3 turbos produced with this box
Getrag	930 - 4 speed but some recommend this is the best for high torque mid-engine applications
Audi	
Renault	Old transmission ideally suited for engine sizes around 3.0 litres
Ricardo Ford GT	new box, very large, competitively priced
Hoer Carrera GT	No information available
Xtrac	Very refined, designed for the expensive supercar market, and its price is reportedly at least twice the target price of \$11,000
Mendeola	Requested information on 27 May 07
T44 Goran	Requested information on 29 May 07
