

Canadian Market Only - Ultra High Specification - CAV GT40

CAV Canada MotorSports Inc. is pleased to announce one (1) contract build of an extremely high specification recreation of the Ford GT Mk1b as per s/n 1051 pictured left.

This car will be built for the Canadian market only, featuring a stainless steel monocoque chassis and Gulf racing style body as supplied by Autofutura in South Africa.

CAV Canada Motorsports Inc has represented the CAV GT40 in Canada since 2003. Over the years we have accumulated a vast knowledge base and inventory of bespoke parts to make such a vehicle possible.

The owner can take pride and immense driving pleasure in the fact that CAV GT40 #1051 encompasses the very best of technology, drivability, comfort and performance in a GT40 type road going automobile.

Chassis Specifications:

Stainless Steel Monocoque Chassis with Roll Bar and Fuel Cell Access Panels

FIA Approved Fuel Cells, Vulcanized ballistic nylon, foam filled, 10 gallons each

Dropped floor pan - extra headroom for helmets or taller drivers

Fabricated Steel Uprights, stronger and lighter than cast aluminum parts

Fully Adjustable Monoball Suspension to suit road or occasional track use.

Driveline Specifications:

Ford Racing 347 Windsor V8 Crate Motor
450 hp 450 lb.ft. torque

Weber 48IDA carburetors on manifold fitted with steam passages and heat shield

180 Degree "Bundle of Snakes" exhaust with dual resonators and heat shield

ZF5 DS25 transaxle supplied by RBT, new with special gear ratios, aluminum flywheel

Bell housing, Oil Pan and Shifter as per original GT40 design

Body and Trim

Gulf specification wide tail with single outlet nose panel, vents over taillights

Original style headlights and driving lamps, side markers, perspex covers

All edges and panel gaps massaged to show car quality, premium paint work

Hand Stitched Leather Interior including Dash, Console, Doors Panels, Seats

Proper five point harness, quick release steering wheel, all SFI compliant
