Owner's & Driver's Declarations:

Warning of Risks

I acknowledge and agree motorsport is dangerous and recognise that accidents can and will happen.

I also accept and agree as a condition of entry that the Promoters, and any ancillary parties, officials, representatives or agents shall NOT be under any liability for my death, or any bodily injury, loss or damage to my property which may be sustained or incurred by me as a result of my participation in or being present at the event.

I advise that I will not undertake any activities unless I consider the Track to be in a safe condition for the Activity. By using the Track I indicate my acceptance of the Track's condition. If an act or occurrence in which I am involved or observe reduces the safety of the Track I will immediately notify Promoter and warn other track users of the danger and/or increased risk.

Should any incident occur because of my failure to observe an official's directive from which a successful claim is made under any insurance policy relating to the Track and an excess premium or deductible is charged by the insurer of the Track I will pay in full the excess or deductible under such insurance policy except to the extent that it is paid by a third party.

I understand & accept QR Management has the right to terminate my participation in the event at any time for any reason it sees fit at the time.

I declare that I agree to abide by the conditions on the back of this form, have read and understood these warnings, and accept all the inherent risks and danger in the event and the activities surrounding the event.
