"This family owned Chestnut Hill Grill Cafe American Bistro Cuisine in a casual urban setting, offering Chestnut Hill's premier outdoor dining. It sits next to the country's old historic Chestnut Hill Hotel. It began as an original destination as "Summer Hausen," the vacation spot of choice for colonial Philadelphians back in 1711 (before the USA was USA). Chestnut Hill has always had a reputation as a most accommodating place." -www.chestnuthillgrill.com
